IMAGINE: Speak It!

Presented by Pastor Daren L. Barron

Sermon Notes from June 20, 2021

Speak it!

Mark 11:22-24 Amplified Bible

22 Jesus replied, "Have faith in God [constantly]. 23 I assure you and most solemnly say to you, **whoever says to this mountain**, 'Be lifted up and thrown into the sea!' and does not doubt in his heart [in God's unlimited power], **but believes that what he says is going to take place**, it will be done for him [in accordance with God's will]. 24 For this reason I am telling you, whatever things you ask for in prayer [in accordance with God's will], believe [with confident trust] that you have received them, and they will be given to you.

5 Things That Happen When You Declare God's Words Daily

- **Faith confession – declaring God's promises even in the midst of difficulties and pains – is a powerful scriptural and spiritual weapon for our daily victory in life. Believing, confessing and declaring God's Words and promises over your life and circumstances will give you victory always – no matter how bad things may seem.**
- **Yes. The WORD works.**
- **Here are some specific things that happen when we continue to declare God's Words and promises in faith over our lives.**

5 Things That Happen When You Declare God's Words Daily

- **WE ENCOURAGE OURSELVES**
- **THE WORD CREATES AND RE-CREATES**

- **THE WORD GIVES LIFE AND ATTACKS DEATH**
- **WE ARE JUSTIFIED OR CONDEMNED BY OUR WORDS**
- **GOD WILL DO WHAT HE HEARS YOU SAY**

WE ENCOURAGE OURSELVES

- **There always comes a time in life when our situations are best understood by us only. Things would be so messed up that even our closest allies and friends may not fully comprehend how to help. This was what happened to David in Ziklag.**

1 Samuel 30:1-6 New Living Translation

1 Three days later, when David and his men arrived home at their town of Ziklag, they found that the Amalekites had made a raid into the Negev and Ziklag; they had crushed Ziklag and burned it to the ground. 2 They had carried off the women and children and everyone else but without killing anyone. 3 When David and his men saw the ruins and realized what had happened to their families, 4 they wept until they could weep no more. 5 David's two wives, Ahinoam from Jezreel and Abigail, the widow of Nabal from Carmel, were among those captured. 6 David was now in great danger because all his men were very bitter about losing their sons and daughters, and they began to talk of stoning him. But David found strength in the Lord his God.

- **David had taken his men to battle with another country. When they returned to Judah, they discovered that the Amalekites had invaded their land and overrun it, captured the people and destroyed the city. Even though David's family also suffered in the attack, his soldiers were so bitter about their own losses that they wanted to kill him.**
- **If there was a time David needed someone to encourage him, it was this moment. But instead, his men, who should have encouraged him planned to get him stoned.**
- **David was endangered. He was overwhelmed with the pain of the moment. But he found encouragement in the LORD. He encouraged himself.**
- **When it seems that we are overwhelmed with circumstances, one thing that can bring us encouragement is declaring what God has said.**
- **As we speak the WORD to ourselves and declare it, somehow, we'll find encouragement and strength to face what's happening and overcome it.**

THE WORD CREATES AND RE-CREATES

- **The Bible tells us that Christ is the WORD of God made flesh (John 1:14). That is, the spoken WORD formed flesh and made His dwelling among men. The WORD of God has creative powers. As we declare the WORDS in faith, over time, those words create the realities we declare.**

- **For instance, as you continuously declare God's WORDS of healing, over time, those Words would create the healing reality over your body, and if there is a dead cell or tissue, the WORD recreates them.**
- **This doesn't have anything to do with how you feel.**
- **Our relationship with God is not based and judged on feelings. I could be feeling awful and unspiritual, but it doesn't change the authenticity of the WORD that I declare.**
- **Sometimes I feel that my prayers and declarations aren't getting above the ceiling. I feel I need to shout a bit more or look more spiritual and pious. But in reality, those are what they are – feelings. They don't have anything to do with the WORD of God. The WORD still works at the right time despite my feelings.**
- **In fact, don't let your feelings decide how you handle the WORD. Let the WORD take care of how you feel.**
